CONTEMPORARY ART SOCIETY OF NEW MEXICO

What is CAS? The Contemporary Art Society of New Mexico is devoted to the encouragement and enjoyment of and exposure to artists, galleries, museums, and critics.

CAS was founded in 1988 as a non-profit organization dedicated to supporting New Mexico's contemporary visual arts community. Our goals are to increase interest, understanding and involvement in contemporary art by encouraging individual collecting, by sponsoring educational activities and by supporting New Mexico's artists and art institutions. CAS sponsors monthly events including visits to artists' studios, collectors' homes, galleries, museums, and also social events. CAS has mounted and sponsored exhibitions of art and a variety of arts-related lectures and symposia.

CAS does no fund raising... all our operating revenues come from membership dues. Thus, CAS' continued success depends upon its membership. All membership fees are tax-deductible. CAS is its membership! We look forward to seeing you at upcoming CAS events. Call 244-8777 with any questions. Thank you for your support!
